

HEALTHIET

Content document

Copy, design styles, and components from the imported Figma file. This export includes the current edited text for review and handoff.

8 text items | 1 page | 2 components

Source: <https://www.figma.com/proto/d899yg406fQK8vHqokf0yG/HEALTHIET?node-id=3338-60&t=LguCTTGLC6bGbLR6-1>

Scope: selected Figma frame or node only. Other screens and pages are not included.

Overview

Measure	Value
Text items	8
Words in current copy	11
Characters including spaces	65
Pages in export	1
Color tokens	5
Typography styles	5
Component entries	2
Figma last modified	2025-10-04T08:04:21Z
Figma version	2334872715748278270

Word counts use whitespace separation. Copy counts reflect the current export scope; design inventories retain the scope noted in Review notes.

Design tokens

Colors

Token	Value	Opacity	Usage
color-1	#126663	1	Fill
color-2	#0DC9C2	1	Fill
color-3	#31A0FE	1	Fill
color-4	#FFFFFF	1	Text
color-5	#FBFBFB	1	Text

Typography

Font	Weight	Size px	Line px	Uses
Slimlines	400	174	229.39	1
Beacon Aesthetic	400	58	71.45	1
Montserrat	700	23	24	1
Montserrat	700	16	28	1
Montserrat	700	14	28	4

These are extracted design values. The export uses a readable document font rather than reproducing each Figma text style.

Components

Component	Node type	Occurrences
Text /large/Text button	INSTANCE	3
Filled/medium/Filled button	INSTANCE	1

Review notes

1 hidden layer was included in the analysis.

Copy reference

Use this index to locate text in the original design. Full edited text is preserved in Content inventory.

Layer	Page and section	Type	Characters
HEALTHIET	Selected frame / Logo	Subheading	9
Button	Selected frame / header	Button	7
Button	Selected frame / header	Button	4
Button	Selected frame / header	Button	8
Button	Selected frame / header	Button	7

Layer	Page and section	Type	Characters
HEalthiet	Selected frame / home	Heading	9
welcome to	Selected frame / home	Heading	10
Get Started	Selected frame / Filled/large/Filled button	Button	11

Repeated copy

Matches ignore letter case and repeated whitespace. Repetition may be intentional and is not necessarily an error.

2 occurrences

HEALTHIET

Handoff checklist

Review task	Status
Check headings and calls to action for consistency	To review
Review repeated copy and generic layer names	To review
Verify design styles with the design owner	To review
Check long copy in the original design	To review
